Dear Mr. Bown,

On June 15, 2000, you were granted a right-of-way across public land for an access road to a stone quarry on private land in the Rosebud area of Box Elder County, Utah. The access road is located in Section 1 of T. 10 N., R. 16 W., and Section 36 of T. 11 N., R. 16 W., SLM.

The right-of-way was issued with an expiration date of December 31, 2005. This right-of-way has now expired and use of the road is no longer permitted. You must immediately cease and desist from the use of this road for any purpose. If you wish to remove your equipment from the stone quarry on private land, you may do so within 30 days of the receipt of this letter. Any other use of this road will be considered a trespass act.

If you should wish to apply for new right-of-way for this road, you should submit a right-of-way application to our office on form SF-299. No use of the road is permitted until a new right-of-way is issued for the road.

If you have any questions, please contact Mike Nelson of my staff at (801) 977-4355.

Sincerely,

Michael G. Nelson
